

CARROLL COUNTY WATER AUTHORITY

P.O. Box 739 • Carrollton, Georgia 30112
770-832-1277 • Fax 770-830-8853

Position: Water Treatment Plant Operator Class I

Date Needed: Immediately

City: Carrollton

Location: Georgia

Country: United States

Primary Category: Water Operator (all levels)

Salary: Class I - Commensurate with experience and license

Type of Position: Full Time

Education Requirement: High School/ GED

Experience Requirement: 3 years minimum

The Carroll County Water Authority (CCWA) is seeking a certified, Class I, operator for its SnakeCreek Water Treatment Plant, where the Micro Floe process is used to treat consistently low turbidity raw water from the Snake Creek Reservoir. This 8 mgd facility is well maintained and operated as demonstrated by having won the coveted GAWP Plant of the Year Award and achieving sanitary survey scores that are among the best in Georgia. Snake Creek WTP is nearing completion of a significant upgrade to increase treatment capacity to 12.0 mgd and incorporate conventional treatment methods into our process.

The successful candidate will be at a minimum a licensed Class I water plant operator in the State of Georgia. Candidates that are dual licensed in both water and wastewater treatment are desired.

CCWA offers competitive wages and benefits, including health/dental/ vision insurance, wage increases for operators earning higher license certification, performance incentive bonuses, defined benefit pension plan, 457(b) investment plan, vacation and sick leave plus educational assistance.
